

Scratch Lab

Please see scratch tutorial on D2L.

Go to scratch.mit.edu

Create an account.

View sample stories from scratch: <http://scratch.mit.edu/studios/11458/>

Sample Game: Download pong.sc from the discussion board (CS majors look at the more complicated version on D2L)

You guys can create your own story or your own game. Have fun with it.

Share it and submit the URL to the discussion board titled Scratch.

In addition, we will show the class what some of us have done.
