CSS Box Model Lab

Introduction

1. Play around with this site http://boxmodel.interactivedesignlab.com/ to discover what padding, margins, borders, etc. all do:
2. In the CSS Box Model dropbox you will find a zip file containing an html file, css file, and images folder. Extract it to a folder on your computer. Now, your assignment is to modify the CSS file in order to turn the webpage below left into the page on the right (much nicer, right!).

Part 4 - Paragraph

12. Align the paragraph text with the header by modifying both the left and right margins to 20px.

Your completed assignment should look like this. TA-DA!
