

Quiz Part 2 –

Watch the video on swift quiz.

Modify the quiz using only the Swift code in the Playground (or Sandbox for Window users)! Don't worry about the view (labels, buttons, etc).

Change the questions and modify it in some other way as well so your code is unique.

Submission:

Submit to the dropbox titled Swift Quiz Part 2:

1. A copy of the swift code
2. screenshots or a video showing the output and it working
