

Views and Text:

1. Finish View Lab (see Lecture Notes)
AND
2. Complete Text slides (see slides and videos) to incorporate text input as well.
AND
3. Make it unique! Change some colors, words, etc.

Submit through the Dropbox titled iOSViewsText the following:

- a. Zipped iOS code
- b. Screenshots or video of a completed iOS application which converts Fahrenheit values to Celsius displaying on 2 digits after the decimal.
